Gallatin 1952

The 1952 GALLATIN is a record of Faculty . . . Classes . . . Sports . . . Clubs . . . Features. In it we have attempted to include all the high spots of the school year. "Herbie Hawk" has been chosen as a typical Gallatinite and you will follow his activities throughout the annual.

A high school annual is the most complete record of the school year available. We hope you will be able to sit down with this annual as you would with an old friend and remember all the things you did and all the people you knew 'way back in '52.

The 1952 GALLATIN is proudly presented by the Annual Staff . . .

Dear Rollene,

I want to wish you the best of luck in the future years. Remember the days in journalism and in typing. Remember when we went to the convention in Great Falls the late hours we stayed up and how early we got up in the mornings. Also remember the good times we have had in FHA. We have in our years of companionship had a few quarrels but we have always gotten over them. Let's hope in the years to come we will be of best of friends. Lots of luck! Kid!!!
